Description:
Kempton Indiana USA May 3 2008 Barack Obama (at left) amid a stiff and chilly breeze assists a local person up a slope of loose ground during a campaign visit to a rural house built by his great great grandfather and now owned by Shawn Clements. He had been chatting with these people in a back yard adjoining agricultural fields and was heading toward the front yard. This appearance happened three days before the presidential primary election in the Hoosier State. On this date Barack Obama was a senator and a candidate for the Democratic nomination for the presidency of the United States. ©Chris Fitzgerald/CandidatePhotos.com Kempton Indiana USA May 3 2008 Barack Obama (at left) amid a stiff and chilly breeze assists a local person up a slope of loose ground during a campaign visit to a rural house built by his great great great grandfather and now owned by Shawn Clements.
